streets and creek of Old Town free of varmints and outlaws.

Check out the new jailhouse, bank and saloon on Windmill Plaza. Be careful though, you may witness a real gunfight or see an outlaw arrested. You may have to bail them out!

Architectural Antiques

The **Creek Walk** adjoining the historic properties, developed by Old Town Palestine Revitalization Fund, is an economic development effort to reclaim an abandoned waterway making it a delightful place for you to walk and view the landscaping, ponds, dams and bridges. Many donations have been made to support the project and new donations are welcome.
